Re: United States of America v. Michael Maranda
Docket No.: 11-CR-804

Dear Judge Wexler:

This is to memorialize the Courts oral order of May 29, 2013 which continued my client Michael Maranda on "Home Detention" but permitted him to attend all Lamaze classes with his fiancé, and to accompany her to medical appointments once a week. This was on consent of AUSA Raymond Tierney.

Very truly yours,

Terrence P. Buckley
